## New Media Studies

East Side High School is proud of our New Media Studies Magnet Academy. Students are exposed to a variety of media and visual culture through hands-on opportunities. The Program is three-tiered, focusing on Video Production, Web Design, and Graphic Arts Technologies. As a Career and Technical Education Program, East Sides' New Media Studies courses prepare students to enter careers in the digital arts.

### FEATURED COURSES AND ACTIVITIES INCLUDE:

#### VIDEO

- Film production and development
- Targeted marketing videos and public service announcements
- Sports coverage, play-by-play analysis and digital archiving.
- Broadcast media including the "Scoop", East Sides' school video network.

#### GRAPHIC ARTS, PHOTOGRAPHY AND PRINT MEDIA

- Two-dimensional print design and production
- Capstone event for advanced students features a district-wide portfolio review

#### WEB AND APPLICATION DESIGN

- Explore web design and site mapping
- App design

# EAST SIDE OPPORTUNITY PROGRAM (ESOP)

*The East Side Opportunity Program (ESOP) is being offered by East Side High School and is open to all deserving Freshmen and Sophomores. ESOP seeks to advance opportunities for our students within this program after completing rigorous Honors/AP courses their first two years. ESOP students will be able to choose from these programs of study: Honors and AP (Advanced Placement), IB (International Baccalaureate), or a college program that leads to an Associates Degree.*

*East Side is Newark's largest comprehensive high school and has been a beacon in the district and the East Ward for over 100 years. With this tradition in mind, we at East Side have developed a program through which our best and brightest will have a chance to shine. We understand that our children are facing new challenges for their futures and you, as parents, need to know that East Side has their best hopes as our central concern. At the center of ESOP will be the well being of your child's education, character and future. Come and see what we can do here at East Side High School.*

## Honors Programs

**O**ur Honors/Gifted and Talented Program/East Side Opportunity Program (ESOP) are available within all Departments. These programs further enhance our exceptional students' opportunities to hone their skills to succeed in a competitive university and ultimately, in the workforce. These programs offer close interaction with the faculty, small class sizes, cross-disciplinary study and off-campus opportunities including a full program of AP courses.

## College Credit Programs

**E**ssex County College and East Side High School have a unique partnership where seniors can earn up to 12 college credits during their senior year. College credits can be earned on our campus during the regular school day. All credits are transferable to any State University or College.

## International Baccalaureate

**E**ast Side High School is an authorized IB Diploma Program. The diploma program is a comprehensive and challenging pre-university course of study leading to examinations. The IB Program is a rigorous two year curriculum that encourages intellectual thinking and has an international perspective. IB course offerings include Environmental Systems, Language, Film, French, Theory of Knowledge, Mathematics and the History of the World. In addition, IB students must also engage in community service, research and an inquiry to the nature of knowledge.
